***Dengan hormat,***

Kami adalah **CV. Wijaya Laboratorium Teknik**, bergerak dengan pengalaman puluhan tahun sebagai supplier peralatan Quality Control untuk peralatan kualitas Konstruksi Jalan, Jembatan, Gedung-gedung, DAM dan kontruksi teknik sipil lainnya.

Manfaat dari peralatan ini adalah untuk menjamin kualitas konstruksi, sehingga dapat memperpanjang masa pakai (*life time*) konstruksi dan mempertahankan kualitas konstruksi, sehingga berdampak pada efisiensi dana pembangunan dan minimalisasi dana perbaikan dan perawatan.

Kami ingin menjadi salah satu rekanan perusahaan Bapak/Ibu khususnya dalam pengadaan produk material testing equipment dan alat-alat laboratorium.

Kami akan selalu berusaha memberikan pelayanan yang terbaik dalam hal pengadaan stock, pengiriman barang-barang, pelatihan penggunaan alat dan tentu saja yang tidak kalah pentingya Layanan Purna Jual (*After Sales Service*).

Kami mengembangkan produk-produk kami seiring kebutuhan anda, berbekal pengalaman puluhan tahun, dan kualitas sumber daya manusia yang selalu kami tingkatkan dari waktu ke waktu, kami yakin akan memberikan layanan terbaik untuk anda.

Untuk itu kepuasan pelanggan adalah kunci keberhasilan kami.

Hormat kami,

**Azman Azis**

*CV. Wijaya Laboratorium Teknik*
